Autumn Term 2023

Welcome Back!

Welcome back! And Hello to all new starters. Though we are sad to see some of the older children leave and move on to school, we are happy to have helped them on their way to new adventures and we wish them every success. We are also happy to welcome new children to Playgroup and hope both they, and their families, are settling in well with us.

Did you know that our Playgroup is a committee led setting? This means that in order for us to open our doors each day we need to have a committee Chairperson, Treasurer and Secretary as well as other committee members. We cannot run our setting without a committee.

Anyone is welcome to join this year's AGM (Annual General Meeting) where we will share what we have been up to during this past year. We would like to invite you to join us on Thursday, 12th October 2023 at 6:30pm via Zoom to see if this would be something you would like to do! Whether you would like to have a more involved role or simply join our committee as an interested parent ... we really cannot do it without you. Meetings take place once a term with a lot of our communication done electronically. If you have any questions about the committee and what we do then please ask as we would love to welcome you and your ideas for making Playgroup as successful as we can be! If you would like to join the Zoom AGM, please let us know so we can confirm the details to access the call.

Names on Lunch Boxes and Water Bottles

Would parents please make sure to clearly put names on their child's lunch box and water bottle as it takes time trying to match water bottles to the correct child during lunch time. We want to avoid children drinking out of someone else's bottle!

Chocolate, Sweets & Healthy Eating

As we are a **Nut-Free** setting, please ensure that your children do not have any items in their lunch boxes that contain nuts including any chocolate spread. We encourage healthy eating, So please be thoughtful and keep your child's lunch box healthy, nut free with maybe **ONE small treat!**

Warm, Spare and Labelled Clothes

Please ensure your child is sent in warm clothing and coats once the weather turns cold, as we will be spending much time outside. Please could you ensure that your child wears and has spare clothes that are ok to get dirty from playing each day and that the clothes (along with lunch boxes and any other items your child may bring) are **labelled** with your child's name (whatever you might have to hand!).

Early Collection

If needed we can accommodate an earlier collection for your child in the afternoon. We are aware we have some families that need to do the school run in Hockwold. To make this possible we allow the child to be collected from Playgroup at 2:30pm. Please note the collection time is either 2:30pm or 3pm and nothing in between.

Bag for Each Child

Would you please make sure your child arrives with a bag with a spare set of clothes that are labelled. This will also allow us to have somewhere to put items from home or to be sent home.

Thanks for your Patience

We would like to thank all families for standing so patiently on the playground in the mornings. Please remember not to allow your children to play on the equipment while you wait and not to cross the barrier.

Medicine & Illness

Children who have been given medicine like Calpol, Ibuprofen, cough medicine etc should not attend Playgroup.

If your child is not well enough to attend without this kind of medication, please do not send them in.

Our complete Illness Table can be found here: <https://www.feltwellplaygroup.com/info>

No Accessories

Please ensure your child does not wear any accessories to Playgroup. This is to avoid choking and breaking of the item.

Photographs & Videos

Please be reminded that it is not allowed to take any photos or videos whilst on Playgroup premises.

What about at home

We like sharing your child's learning and experiences at Playgroup with you and we hope that you enjoy receiving these regular updates via *Tapestry*.

If you have any questions about using your child's online learning journal on *Tapestry* please speak to your child's keyworker or send us an email.

We love learning about what your children do at home, too. *Tapestry* can also be used for this or, of course, you can always fill in a High 5 slip with your child's achievement or news for them to bring in and share with us!

Absent Child

We will get in touch with you via text message or phone call if your child is absent for two of their consecutive days without having informed us at Playgroup why they are not attending. This is to make sure you and your child are ok.

Paying Fees

Please remember that fees must be paid in advance of sessions attended. As per the policy, fees are now expected to be paid at least a half-term in advance. However, in some circumstances, it can be arranged for fees to be paid weekly. If your child is absent (half fees are payable in this instance) then any money remaining from what has been paid in advance will be credited to your account.

Lending Library

We would like to invite and encourage you all to use our lending library which has returned for the summer term.

We have a selection of books and some story bags that you can borrow for a day, a week, a month or as long as you need it! All we ask is that it is eventually returned so someone else can enjoy it.

Reading a book with your child is a wonderful way to share a special moment together. Listening to a story, looking at the pictures and asking simple questions will boost your child's understanding and communication skills and start a love of books which will enable them to become life long readers!

Please feel free to share pictures of your child enjoying one of the book's via Tapestry, we would love to see them!
