12. EMPLOYMENT and STAFFING

Policy Statement

We provide a staffing ratio in line with the welfare requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality.

We provide an induction for all staff, volunteers, regular outside groups who visit and all committee members, in order to fully brief them about the setting, the families we serve, our policies and procedures, curriculum and daily practice. Our staff are appropriately qualified and we carry out checks before an applicant can start their employment. These checks being the return of 2 satisfactory references, and a completed Enhanced DBS. We follow safer recruitment practice as outlined in the Norfolk Safeguarding Children Board guidelines including obtaining references and EY2 checks for committee members.
